

I hope you were all able to enjoy the long weekend and have a break with your family and friends.

There has been another significant change to the COVID isolation rules that is now in effect. Those who test positive and their household contacts now only need to isolate for seven days and can return to school after seven days providing they are free of symptoms. The school case numbers continue to stay low and we again thank the community and staff for their assistance with this.

Another busy week has passed with the highlight for many students being the reformatted Swimming Sports. It was such a pleasure to actually run a school event again and to see the way our students participated and enjoyed themselves. The swimmers ran through their races with very little rest and it was great to see students volunteering to swim in some of the finals where there were spare lanes, just to give it a go. There were some excellent races and the relays were again hotly contested. Our students really displayed our school motto Kaha i ngā wā katoa – Our best always. Well done to all the students involved. Swimming wraps up at the end of this week until Term 4 and our classes will be having some fun mini swimming sports events to celebrate their hard work so far this term. A huge thank you must go to Mrs White and her team for organising the Swimming Sports again this year. With the current restrictions in place for COVID we have moved the traditional school Triathlon to Term 4 in the hope we can run this event at that time.

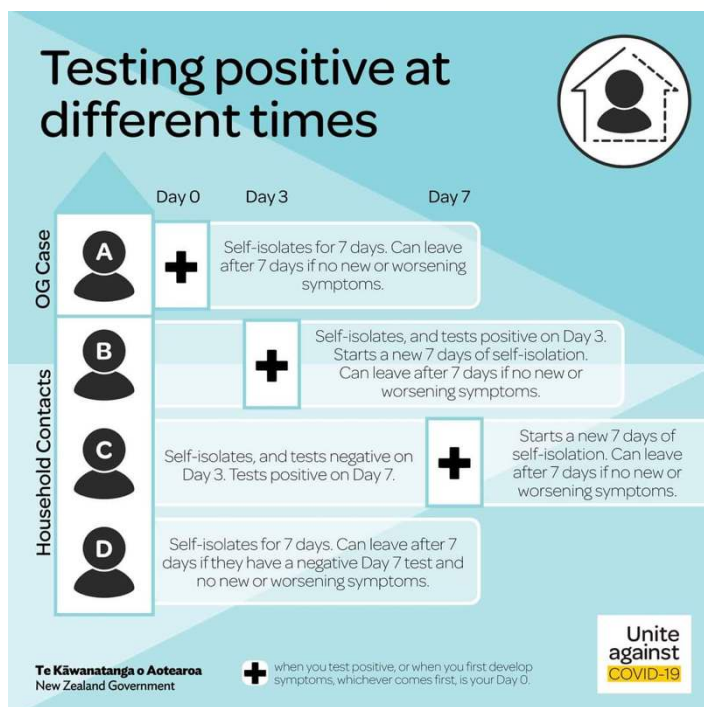

### Intermediate Camp

The Intermediate camp is now less than a week away due to a massive effort by our community and staff. The team are just finalising the last few details this week. We know that Intermediate camps are a highlight for so many of our students and we know they will have a great time. Thank you to everyone who has helped us get this event across the line this year, it is very much appreciated.

### Wacky Whānau Wear – Dress for a cause this Friday

Since many of the students were not able to dress up and support their Whānau last week at Swimming Sports the Student Council have organised a Wacky Whānau Wear Day this Friday to have some colourful fun to end the week. Students can show their whānau spirit by dressing up in their whānau colours for the day. The Student Council have been thinking about how they can support our community during these challenging times and would like to make a donation to the New Plymouth Food Bank. They are asking all our students to bring along a gold coin, if they are able, to donate on Friday. The money will be collected in and presented to the Food Bank to help support those in need.

There will also be a free sausage sizzle for all students on Friday. Please be assured there will be appropriate hygiene and social distancing measures in place.

***Our current school attendance rate for this week is 84%***

## Year 7/8 Immunisations

Due to the Public Health Nurses being re-deployed to other areas of the DHB and to protect students, staff and the wider community, the Public Health Nursing Team will delay the Year 7/8 school-based vaccination programme, effective immediately.

All schools scheduled to receive school-based vaccinations in March are cancelled but every effort will be made to reschedule when enough staff are available to administer vaccinations in a safe environment.

Please continue to return consent forms to school if you have not already done so.

Our sports teams rely heavily on adult volunteers from the community to coach. Please bear in mind that our sports teams cannot be entered if no coach is available.
