To show respect to others by using our manners

Welcome to Bell Block School for 2023

It is great to have our students back and full of excitement and enthusiasm for the year ahead. Some students were feeling a bit nervous for the first couple of days but this tends to pass quite quickly. If your child is still feeling this way next week, please let the classroom teacher know.

For 2023 we have several new staff joining our team this year. We welcome Mrs Abby Piercy to Room 19 and Miss Ruhina Leong to Room 20, both in the Intermediate team. Miss Nikita Ploeg and Miss Nina Gibson join our Teacher Aide team to provide additional support for students.

We also welcome back Mrs Lisa O'Leary who will be working with our English Language Learners.

Our School Vision, Values and Principles

At this time of year, we spend time setting our standards and routines and developing both class and school culture. These are all based around the school vision. This has been developed with community input and underpins the culture we strive for in the school and what we want to see from our students. It is a perfect time to discuss the vision with your child and set some goals to achieve this year.

The grey part of our logo represents a korowai or cloak. A school and community supporting students to live the motto Our Best Always – Kaha i ngā wā katoa. This is the representation of Triple A - **Ability, Attitude and Action**.

The black side of the logo represents the mountain. The strong, unchanging foundation of what we do. This represents our School Values.

Respect – Whakaute
Manaakitanga – Caring
Responsibility – Takohanga
Tū Māia – Standing Brave

The blue side of the logo represents the rivers and sea. It is an adaptable, unstoppable force that impacts the landscape over time. This represents our School Principles.

Community – Hapori
Ahurea – Culture
Innovation – Auahatanga
Hurikiko – Aspiration

Student Arrival Times

Before school is a very busy time. For students to be organised and prepared to have a successful day they need to have time to put their bags away and get out the items they will need. School starts at 8:55am and most students will need at least 15 minutes to get themselves organised before that time. If your child arrives after 8:55am please ensure they sign in on the tablet in the office so we know they have arrived. If your child arrives at school before 8:25am they must wait in the covered area outside Room 1. All classroom teachers are in their classroom from 8:25am each day to greet the students as they arrive.

To maximise the progress of each student we need them to be at school as many days as possible. Every day they are away is a missed opportunity to learn they can never get back. Please ensure your child attends as many days as possible this year to give them the best chance of success.

This will be another exciting year of opportunity and learning. We are looking forward to working with you to maximise the learning and personal growth of every student here at Bell Block School.

School Swimming

One of the major focusses for Term 1 is swimming. Please help your child to be organised for these sessions by talking about what gear they need to bring. It is a perfect opportunity to develop self-management skills especially in the upper levels of the school.

Being Sun Smart

Our school sun hats are compulsory during outside play in Term 1. Any students without a hat will be encouraged to be in the shade during break time. Hats are available for purchase from the school office for \$13. Payment can be made by internet banking to 15 3956 0057371 02. Please include your child's name and 'sunhat' in the reference. Hats will then be delivered to the student's classroom. Otherwise, cash or EFTPOS is available at the office. Please ensure all items are named, especially hats, as it makes it much easier to return if they get lost. Thanks to our PTA group, sunscreen is available in every classroom for students to use.

School Photo Day

PhotoLife will be in school next Friday 10 February to take class photos, individual portraits and sibling portraits. A PhotoLife notice was sent home with students on Thursday detailing the process for viewing and ordering student photos online. All students will have their individual portrait taken and caregivers can choose to order packs containing a combination of class photos and individual portraits on the PhotoLife website using their child's photo key code. Key codes are sent home with students two weeks after photo day and are also emailed to caregivers. Should you wish your children to sit for a sibling portrait, please complete the sibling photo request form sent home on Thursday and return to the office drop box **BEFORE next Friday 10 February**.

2023 Teacher Only Days

We are required to have the two Teacher Only Days this year taken from within timeframes set by the Ministry of Education. We know this can cause disruptions for our families and we appreciate your support. The Board have approved the first Teacher Only Day to be taken on **Monday 24 April**. On this day our staff will be undertaking professional development and developing programmes for students. This will mean students begin Term 2 on Wednesday 26 April after ANZAC Day. Unfortunately, we have yet to be given dates for the second Teacher Only Day from the Ministry of Education. We will share this with our families as soon as possible.

Parent App – '@school'

The parent app '@school' is our main form of school communication. Please ensure you are logged in to the app and receiving notifications. If you prefer to receive an email rather than a notification on your phone, you can change the settings in the app to email you with advice of any new newsletters or messages. To do this, once logged in to the parent app, go to the three dots in the top right, select Settings and tick 'Enable Email Notifications'. You need to do this for each child. You will now receive an email notification in your inbox for any communications from school.

Did you know that the school app can also be accessed via a website? If you do not have the app, use the '@school' website to access school communications and stay informed. www.atschool.co.nz. You will need your UserID and password to log in. If you do not have these, please email the office who will be happy to provide it to you.

If you need any other assistance to get set up, please email the office who are only too happy to assist – Email office@bellblock.school.nz

Breakfast Club

Breakfast Club is available in the school hall (supper room) every Monday, Wednesday and Friday from 8:00 – 8:30am. All students welcome. Volunteers would be appreciated to help set up from 7:45am. If you're able to assist, please email Lynda Lamb Lynda.lamb@bellblock.school.nz
