

BELL BLOCK SCHOOL NEWSLETTER #15
Friday 2 June 2023

Focus Value:
Tū Māia – Standing Brave

School Goal:
 Trying new things with a positive attitude

I would like to begin this week by thanking our community for the support with the paid union meeting that was held on Wednesday. I would also like to thank the staff who volunteered to provide supervision so that we could keep the school open. Unfortunately, this is a very fluid and ever-changing situation and the usual timeframes for informing schools of the NZEI actions is not being adhered to. This means we are not always able to get information out to our community before it changes or we can confirm what our response is. We certainly understand the impact this has on our community and know how disruptive it is. We will endeavour to keep the school open for those families who are not in the position to take their children home should there be any further disruptions, as we do everything we can to keep the school open.

The week finished with the Celebration Assembly which highlighted our school's entries into the Toi Wearable Art competition. The organisers of the event had arranged to fly to New Plymouth especially for our students to be able to show their creations. They were absolutely amazing and the creativity and designs were outstanding. Well done to all the students and staff who contributed to this event. Special thanks to Mrs Charlton for her efforts in allowing our students to shine.

We also had another round of amazing students who were recognised for living our Triple A vision and showing the values of a student at Bell Block School.

Attendance Awards

To recognise those students who are attending school regularly, this term we have introduced a new initiative. Attendance certificates and pens will be awarded to students who have attended school for 100% of the previous term. 100% attendance is determined by following the Ministry of Education guidelines for being present at school. Attendance codes included in the calculation are (but are not limited to) Late, Medical Appointment and Off-site Course.

The awards for attendance in Term 1 will be presented at the Celebration Assembly during Week 8 on Friday 16 June.

	# of Students Attending Last Week	% of Students Attending Last Week	Potential Lost Learning Days per Year

PCT Challenge

Last week four teams of Intermediate students travelled to the TSB Stadium to compete in an annual challenge held by the NZ Police. The PCT Challenge replicates the Physical Competence Test that sworn police officers are required to pass every two years. The challenge is a 14-part test which includes commando crawling, jumping through a window, climbing over a fence, scaling a wall and a 74kg 'body' drag.
