Focus Value:
 Responsibility -
 Takohanga

School Goal:
 Taking responsibility for
 your own learning

Week Six of the term saw the weather turn on two spectacular days for our Cross Country. It was great to see our students in action giving it their best even if it isn't their favourite school event. The Junior Team Cross Country was a running spectacle with all students from across the school out supporting and cheering on our youngest students as they took on their events. It has been wonderful to see so many of our families being able to attend school events over the last two weeks. We are a community school and really do value our families' support when they are able to attend events. The students certainly love having you there.

Our Intermediate sports teams participated in their Interschool Sports Competition in Hawera on Thursday and did a great job representing our school and our school motto – Kaha i ngā wā katoa. The netball team showed great team spirit amidst some exceptional talent. There were some very close games, losing by only 3 or 4 points but ultimately Bell Block School lost 3 games and drew 1 with Stratford. The rugby team showed immense tū māia against their opponents and kept a positive attitude for every game. It was a closely fought tournament at the football grounds where our team had 3 wins, a draw and a loss to narrowly miss making the final.

The Celebration Assembly closed out our week and another group of fantastic students were acknowledged for their hard work and for living the school values over the past two weeks. Well done to all the students who received awards at the assembly.

Netball

Year 1 and 2 netball registrations are open.

This is a great introduction to netball for our youngest players and the focus for this age group is on exploring netball. Games are played 4 aside on 1/3 court size. With a small team and small space to play, your child will have many opportunities to have their hands on the ball, increasing their involvement and fun. It allows players to catch, pass and shoot from day one – a programme designed just for them. Junior Co-Ordinators and Star Helpers are on court to guide and assist. There is no charge to participate. Please visit the school website for all information and to register www.bellblock.school.nz/netball

Player of the Day Trophies

If you have a Player of the Day trophy at home, please return it to school as soon as possible.

Yummy Stickers

Please continue to save all your stickers or cut-out labels from Yummy apples to help us earn new sports gear for the school. We will start collecting in the completed sheets in two weeks, just before the end of the term. If you need extra sticker collection sheets, they are available to download from the school app under 'Documents' or can be collected from the office.
