It will not be disclosed to any other person or agency unless such disclosure is authorised or required by law.

* Declaration and Agreement Two - Usual Place of Residence (* only applicable to 'In Zone' Enrolments)

The address given at the time of application for enrolment must be the student's usual place of residence when the school is open for instruction. This means that if you currently live at an in zone address but move to an out of zone address before your child's first day of attendance at the school, your child will not be entitled to enrol at the school.

The Ministry of Education has advised that parents should be warned of the possible consequences of deliberately attempting to gain enrolment by knowingly giving a false address or making an in zone living arrangement which they intend to be only temporary, for example:

- Residing in zone on a short term basis;
- Arranging temporary board in zone with a relative or family friend;
- Using the in zone address of a relative or friend as an "address of convenience" with no intention to live there on an ongoing basis.

- Before enrolment takes place (ie: before attendance begins), if the Board has reasonable grounds for believing that the given in zone address will not be a genuine, ongoing living arrangement, the Board may withdraw any offer of a place it might have made on the basis of the given address.

After attendance has begun, if the Bell Block School Board learns that a student is no longer living at the in zone address given at the time of application for enrolment, and has reasonable grounds to believe that a temporary in zone residence has been used for the purpose of gaining enrolment at the school, then the Board may review the enrolment. Unless the parents can provide a satisfactory explanation, the Board may annul the enrolment. This course of action is provided for under Clause 13 of Schedule 20 of the Education and Training Act 2020.

Bell Block School may actively collect information to ensure that the enrolment data provided is accurate.

- I confirm that the address which I have provided to Bell Block School will be the usual place of residence of _____ (student's name) when the school is open for instruction. I will advise the school of any subsequent change of address.
- Proof of address has been provided to Bell Block School in the form of one of the following: utility bill, rental agreement, sale/purchase agreement, rates bill. Proof of address must be current (no more than three months old).
