

This week has been full of students taking on opportunities and giving things their best effort. It was great to hold the Athletics Days in much better weather conditions than last week offered. I was impressed by the students and the way they supported each other during the events and the skills shown at each of the events. Watching some of our high jumpers clearing heights up towards their own shoulders is very impressive. The sprint events are always hotly contested and hearing the cheers of the school certainly lifts the performance of the students involved. The results are available at the end of this newsletter and awards will be presented to Years 3-8 placegetters during our Sports Assembly next **Wednesday 4 December at 9:30am**. Please do join us if you are able.

On Wednesday we thanked our community helpers who give up their time to help provide opportunities and learning support for our students. Our PTA, camp parents, in-class helpers, coaches, team managers, breakfast servers, road patrollers, our community who come in and support students with their learning, all help to provide opportunities for experiences and personal growth that we would not be able to offer without your support. We had over 100 people on our list this year who have helped out in some way. We know that they were not all able to be there but please know how grateful we are to all of you. It takes a village to raise a child and with your help we certainly have some amazing children here who benefit so much from your support.

On Tuesday our road patrollers had their reward day at the Todd Energy Aquatic Centre to thank them for their two terms of service to our school. They work both before and after school and in all of the challenging weather that New Plymouth throws at them. Thank you to all the students who provided this service this year.

We also had some of our Intermediate students have a go at surfing on Tuesday as part of the Intermediate Outdoor Academy. Some students were a little apprehensive as they started but by the end of the session the joy of success was clearly evident. Well done to all the students involved and thank you to the staff who organised this event.

We finished the week with our final Celebration Assembly of the year. It was packed with acknowledgements of student achievement and effort. Students received Honours Badges after nearly two full years of effort, ICAS awards, Triple A and Values awards, showing what amazing students we have at Bell Block School.
